24" M SERIES CONTEMPORARY STAINLESS STEEL HANDLELESS CONVECTION STEAM OVEN - PLUMBED

CSOP2450CM/S

FEATURES

The elegant, modern aesthetics pair perfectly with a full suite of similarly styled Sub-Zero, Wolf, and Cove appliances

Contemporary styling features a completely handleless look that incorporates a motorized door system

Plumbed and non-plumbed options for maximum installation flexibility

Full-color touchscreen simplifies use

The door opens and closes quietly for an elevated experience

Save up to 50 personalized favorite recipe presets

Cooking modes include Steam, Convection, Broil, Slow Roast

Oven features a 1750-watt recessed broil element with multiple settings

1.7 cubic-foot oven cavity provides enough space to prepare multiple dishes at once or a 15-lb turkey

1889-watt single convection system maintains heat and airflow to eliminate cold spots

Three full-extension rack positions and one standard position allow easy access and increased cooking flexibility

The temperature probe alerts you when your dish has reached the desired temperature
