

## C1243C/B

### FEATURES

Rigorously tested for decades of use

Exceptional support from our Customer Care team in Madison

Three elements and bridging option to accommodate different pan sizes

Can be installed flush with countertop for smooth, continuous surface

Incredible cooking control, with lightning fast high heat and very low lows

Cooktop stays relatively cool for added safety and easy cleanup

Cookware sensing guards against hot burners being left on

Efficiently transfers heat, because energy is supplied directly to the cookware
