

PW362418

**FEATURES**

Breathe cleaner air and enjoy less greasy residue in your kitchen

Make a statement with a stainless professional look or opt for lower-profile "hidden" ventilation

Matches the same heavy-duty stainless-steel construction, hand-finished hemmed edges, and welded seams of all Sub-Zero, Wolf, and Cove products

Select from internal, in-line, or remote blower options (blower required)

Illuminates your cooking area with LED lighting with two brightness settings

Rely on a heat sentry that automatically turns on the blower or increases its speed when exhaust temperatures exceed 200 degrees Fahrenheit

Minimizes the backward flow of cold air with backdraft transition

**ACCESSORIES**
