60" PRO WALL HOOD - 27" DEPTH

PW602718

FEATURES

- Breathe cleaner air and enjoy less greasy residue in your kitchen
- Make a statement with a stainless professional look or opt for lower-profile "hidden" ventilation
- Matches the same heavy-duty stainless-steel construction, hand-finished hemmed edges, and welded seams as other Sub-Zero, Wolf, and Cove products.
- Select from internal, in-line, or remote blower options (blower required)
- Illuminates your cooking area with LED lighting with two brightness settings
- Rely on a heat safety sensor that automatically turns on the blower or increases its speed when exhaust temperatures exceed 200 degrees Fahrenheit
- Minimizes the backward flow of cold air with backdraft transition
- Heat lamps available for 27" deep models only - bulbs not included
