

DEC2450FI

CARACTÉRISTIQUES

ClearSight™ LED lighting system fully illuminates the interior and reduces shadows

Sleek stainless accents trim the interior, matching the sophistication of the exterior

Easily customize settings with the tap of a finger via the conveniently accessible touch control panel

Night Mode optimizes the interior lighting based on the detected ambient light, reducing the brightness by 90% in dim environments

Position adjustable door shelves at various heights to accommodate assorted items

Fresh-tasting, filtered ice ready on-demand and activate Max Ice Mode to temporarily increase ice production

Locks in cold air with a magnetic door seal system

Wi-Fi enabled features provide remote access from your mobile device

Sub-Zero offers an industry-leading full two-year warranty on appliances, along with a full five-year sealed system warranty and a limited twelve-year sealed system warranty

Accepts custom panels for an integrated look within cabinetry or stainless-steel accessory panels and handles to match other Sub-Zero, Wolf, and Cove products
